

*Welcome to Mme. Ferguson's Salon*

You are creating a pamphlet to present to your fellow *Philosophes*.

*The title is "Pamphlet des Philosophes"*

Here are your guidelines-google pictures of pamphlets to get an idea of how it should look.

1, Create a short description of each of the following Philosophes beliefs, dates of birth and death for periodization, what country they were from, famous works and/or quotes. Feel free to add additional information

\*Use your best fancy handwriting

*Thomas Hobbes-pg. 466*

*John Locke-pg. 466 and this chapter*

*Immanuel Kant*

*Baron Montesquieu*

*Voltaire*

*Denis Diderot*

*David Hume*

*Adam Smith*

*Francois Quesnay*

*Baron Paul d'Holbach*

*Jean de Condorcet*

*Jean-Jacques Rousseau*

*Mary Wollstonecraft*

*Marquise de Chatelet (Emilie)*

2. You will then pick a favorite philosophe and describe why they are your favorite-be specific and ready to defend their beliefs-this is included in pamphlet also

3. Must include at least 5 illustrations in the style of Enlightenment pamphlets
